

DISTRICT-APPROVED CERTIFIED BACKFLOW ASSEMBLY TESTERS

This list contains the names of individuals who have been certified by the American Water Works Association (AWWA), American Backflow Prevention Association (ABPA), or the American Society of Sanitary Engineering (ASSE) to test backflow prevention assemblies. The Helix Water District makes no representation concerning any other qualifications of the listed testers. This list is provided for information only and is not intended as either an advertisement or a warranty expressed or implied.
