Dear Counselor,

Each year, Helix Water District offers two \$1,000 scholarships – the Dr. Lillian M. Childs Scholarship and the Robert D. Friedgen Scholarship – to graduating seniors who will begin a bachelor's degree program in the fall at a university or college.

We want to thank you -- we asked for your help last year getting the word out to students and we received 22 applications, which was a big improvement for us. We would love your help again this year – putting our application in the hands of the students you know who excel in school but need financial help to attend college next fall.

We enclosed 10 copies of our flyer for you to post around your school and five copies of our application. Please feel free to make copies if you need to. And, please note, the deadline to submit an application is March 1, 2018.

Thank you again for your time and your help.

Mike Uhrhammer
Senior Public Affairs Representative
